

Do you want one less bill to worry about each month?
Introducing Our Automatic Payment Plan.

WAR TELECOMMUNICATIONS now accepts electronic payment of your telephone bill. There's no need to send us a check, spend money for postage, or worry about missing a due date. Your bank will automatically pay your phone bill each month.

1. To conveniently pay your future telephone bills simply return this completed form with this month's payment.
2. The Telephone Company will debit your bank account on the 20th of each month for the amount of your bill. If the 20th is a weekend or holiday, the payment will be processed on the next business day.
3. You will still receive a telephone statement each month.

Complete this form and provide a voided check from the account you would like charged, and return with this month's telephone payment.
